Urgent and Extremely important

Attention: Honorable Judge Dimitroleas

Honorable Magistrate Snow

98 JUN 20 PM 12:31  
U.S. DISTRICT COURT - FILE  
SOUTHERN DISTRICT OF FLORIDA

Your Honors, today I have received an e-mail from one of my supporters, Mr. Henry Tisdale, from Florida. It contained an attachment, an e-mail from Charles Lincoln, sent to a web chat group and an attachment, an affidavit supposedly submitted by Charles Lincoln to this Honorable court in the case of Rivernider et al v US Bank. This affidavit and attachments are currently circulating on the Internet. This affidavit has not been posted on pacer yet by your clerk, I do not know, if indeed it was submitted to you, however in case it was indeed submitted to your Honors, I feel that it is my duty as an attorney and officer of the court to respond, as it contains

seven more instances of forgery of my signature, perjury and fraud upon this court. The affidavit is from one Lisa Ostella.

Lisa Ostella was a volunteer web master, who contacted me in and around the time of 2008 presidential election, just like Charles Lincoln and Kathy Garcia -Lawson have contacted me later on. Ms. Ostella stated that she heard about legal actions I have filed and offered to help me. She volunteered to help me in my pro bono legal actions aimed to unseal vital records of Barack Obama, which are currently sealed and unavailable to the public. She presented herself as my supporter, experienced web master, computer expert, who has worked for congressman Dunken and has helped as a volunteer in several campaigns of conservative politicians. As a web master she created a web site/blog for my foundation, which had a pay pal account to help fund my legal actions and my travel around the country to promote constitutional law issues. **She was never authorized to sign my name anywhere. I signed each and every document submitted by me.** Ostella only typed names and addresses on the forms, I signed all the forms. Please see exhibits <sup>11</sup>1-20 copies of the subpoenas signed by me. You can see that what Ostella has submitted to this court is a clear forgery. Please see

Exhibit "A" that shows the Subpoenas in the case 34-2008-80000096 Superior Court of CA, Keyes et al v Bowen et al. My signatures look slightly different from document to document as I was signing each document separately and my signature stays within the lines provided in the document. Exhibit "B" shows affidavit and forged exhibits. Forgery submitted by Ostella is obvious: **it is a computer image of one signature, cut from another document and pasted seven times. You can see that it is much larger than the space provided, and you can see interrupted lines, where Ostella erased my original signature and pasted her forgery.**

In April of 2009 when I suddenly stopped getting donations for my foundation through paypal, I noticed that someone has changed the e-mail address connected to my paypal account on my web site. I reported this to FBI and later to police. See Exhibit "E" Letter to police. Ostella demanded that I withdraw my complaint, or otherwise I cannot use her server and her services as a webmaster. She claimed that my complaint gives her as a web master a bad name. I refused to withdraw my complaint and requested that she transfer the domain for my foundation to a new webmaster. She did not do so, but rather changed the pass codes for the web site/blog of my

foundation, locked me out and continued soliciting donations on behalf of my foundation Exhibit "D". I reported to the police and FBI a complaint for fraud and embezzlement. She is currently under investigation by the police and FBI.

Ostella has colluded with Philip Berg and Lisa Liberi to further harass me and defraud me and my foundation. Recently Charles Lincoln has joined them.

Philip Berg is an attorney, who was sanctioned twice by the PA bar. Liberi is Berg's assistant and a convicted criminal with 10 convictions for forgery of documents and grand theft. Berg and Liberi were the first ones to come forward with affidavits from Kenya, stating that Barack Obama was born there. In and around April 2009 I got a phone call from one, Linda Belcher, who stated that she used to be a volunteer for Philip Berg and she believed that he was similarly defrauded by his assistant by name Lisa Liberi. She reported to me that Liberi is a convicted criminal with 10 convictions of forgery and grand theft. I did my due diligence and verified through an investigator Neil Sankey, that indeed she has multiple convictions, and I also talked to her arresting officer and District Attorney James Secord. I sent an e-mail to Philip Berg and stated to him that I have

January 18 2010 letter by Orly Taitz 4

similar legal cases as he does and I referred to his affidavits in my cases. I related to him that I just found out about a criminal record of his assistant, and since she was convicted of forgery before, there is a high probability of forgery in those affidavits regarding Barack Obama. I felt that the case needs to be decided based on release of real evidence from HI, not affidavits that were prepared or handled by a convicted forger. I asked Berg to either check the documents with a forensic expert or, if he cannot do it, to let me check the documents with a forensic document expert, to make sure there is no forgery. I also forwarded to him a printout from the San Bernardino, CA Superior Court that shows that Liberi is not allowed to handle other people's credit cards, and advised him that he should distance himself and his fund raising efforts from her.

Berg never responded and never granted me a permission to see the original affidavits from Kenya. I felt that this is an important issue and posted the report from investigator Sankey on my website as I felt that the public should be warned about the above events. The report contained an official court printout of Liberi's criminal convictions and findings by Investigator Sankey that she used multiple social security numbers. While all the numbers were partial redacted numbers,

January 18 2010 letter by Orly Taitz 5

inadvertently one full number was posted. When I was alerted to this mistake, I redacted the number, however later I found an affidavit signed by Liberi, stating that she has a different SS number, so no harm was ever done to her regardless of the mistake.

I believe that Berg, Liberi and Ostella were afraid of criminal indictments and decided to silence me and others who stood up against their fraud, and filed a frivolous law suit in PA where they slandered me and my husband, as well as investigator Sankey, his firm, talk show host ED Hale, his wife Karen Hale, their radio station, volunteer Linda Belcher, Christian Publisher Mr. Sunquist . They claimed defamation and invasion of privacy, because SS number was inadvertently published once, even though later it was found that it was not her social security number. They were seeking millions of dollars in damages and TRO. It was clearly a form of harassment aimed at silencing me and others about their criminal activity. Judge Robreno in PA has denied their TRO and issued an order to show cause why the case should not be dismissed due to lack of jurisdiction. I expect their frivolous and malicious law suit to be dismissed shortly.

January 18 2010 letter by Orly Taitz 6

As an attorney dealing with issues of Constitutional law and as a president of Defend Our Freedoms Foundation, I constantly expose criminals. When caught by me, and facing criminal charges and long prison terms, such criminals try to fight back, they stick together and try to help each other by trying to undermine me and my work. Currently, Charles Lincoln, whom I exposed as committing forgery of my signature in this court, is working with Berg, Liberi and Ostella. Lincoln has written a perjured affidavit to help Berg, Liberi and Ostella. Ostella has written a perjured affidavit to help Lincoln. There is also a pattern of Lincoln and Liberi being deemed vexatious plaintiffs and, while faced with criminal prosecution, they filed frivolous law suits against different members of judiciary or law enforcement. I hope your Honors can see through this pattern and forward this matter to the US attorney and local district attorney. If indeed Lincoln and Ostella have filed with this court the above affidavit and attachments, they have submitted forged documents, and Ostella needs to be prosecuted for seven counts of forgery of my signature, uttering, fraud and perjury and for aiding and abetting Lincoln in his commission of forgery, uttering, fraud, perjury and unlicensed practice of law. These people are committing crimes,

January 18 2010 letter by Orly Taitz 7

defaming me and trying to undermine my law license and undermine my legal actions. I believe they might have been acting in unison from the beginning. They have to be stopped and prosecuted.

Respectfully submitted

Dr. Orly Taitz, ESQ

Lisa Ostella, another former ally/victim/refugee fleeing the world of Orly Taitz....What is really real and how do we know? Orly had me convinced that all these people on her side were completely evil, until I got to know them and the other side of the story, and how all of them were fighting against Obama and only wanted to forward the cause of justice and constitutional government.... Consider the parable of the Cave in Book VII of Plato's Republic....the light flickering from torches along the wall does not make the prisoner's view any clearer, but only serves to confuse him....Lisa Ostella's story with Orly is anything, MUCH stranger than mine...

**AFFIDAVIT OF LISA OSTELLA**

I, Lisa Ostella am over the age of eighteen (18) and not a party to the within action. I have personal knowledge of the facts stated herein and if called to do so, I could and would competently testify under oath.

I declare the following:

1. I, Lisa Ostella, was assistant webmaster for Dr. Orly Taitz from November 2008 to January 2009. Head webmaster for Dr. Orly Taitz from January 2009 to April 2009. And Administrative Assistant to Dr. Orly Taitz from December 2008 to March 2009. It is important to note, although I have experience as an Administrative Assistant, I had never worked for an Attorney or Law Firm prior to Dr. Taitz.
2. In these roles, I performed various functions from website functions, booking media appearances, contacting politicians, sending out correspondences, updating case

filings, creating and serving subpoenas, sending out mailings, taking dictation, transcribing and any other various requests or needs Dr. Taitz asked of me.

3. In or about January 2009, Dr. Taitz filed a case in the United States District Court, Central District of California, Southern Division, which was assigned to Judge David O. Carter, *Keyes, et al v. Obama, et al*, Case No. SACV-09-00082-DOC (Anx).

4. During the filing of the *Keyes* case, I was the main person responsible for creating the subpoenas, signing Dr. Taitz's name to the subpoenas as instructed by Dr. Taitz and coordinating the serving of the documents including the case pleadings. These subpoenas included, but were not limited to, serving the CIA, Social Security, FBI, ICE, Secretary of State, Department of Energy, Department of Interior, US Department of State, IRS, FactCheck, Department of Defense, Office of Personnel Management, Department of Health and Human Services, Secret Service Office of Government and Public Affairs, Department of Justice as well as President Obama.

5. Dr. Taitz contacted me and directed me to prepare all the subpoenas referred to above, and instructed me to sign her (Orly Taitz) name to each of the subpoenas, which I complied with. All of the above referenced subpoenas were prepared by me, Dr. Taitz's name was signed by me and they were sent from my home in New Jersey.

6. Since I did not have any experience working in the legal field, I asked Dr. Taitz if the subpoenas were valid since she was asking me to sign her name to the documents being served. Dr. Taitz assured me that they were valid and I was to sign her name without placing my initials following her signature.

7. The subpoenas were created by me, and Dr. Taitz name was signed by me at her direction. The subpoenas were served by volunteers whom I sent them to and coordinated

with starting on January 28<sup>th</sup> through February 10<sup>th</sup>, 2009. All the subpoenas were dated January 19, 2009, as per Dr. Taitz's instructions. See copies of the subpoenas which I created and signed Dr. Taitz name to at her direction attached hereto and incorporated in by reference as **EXHIBIT "A"**.

8. In addition to preparing and signing the subpoenas on behalf of Dr. Taitz, I co-authored letters to the FBI and at the direction of Dr. Taitz also signing Dr. Taitz's name to said letters. I created 95% of the subpoenas, signing Dr. Taitz's name on her behalf in the *Keyes* case and had them served. All was done under Dr. Taitz's authorization. I performed these duties as Dr. Taitz's assistant.

9. I stopped providing services to Dr. Taitz in or about April 2009 as a result of Dr. Taitz demanding I falsify information to the Federal Bureau of Investigations and other enforcement agencies. On or about April 2, 2009, Dr. Taitz sent letters to the U.S. Supreme Court Justices, Clerks and others notifying them that she actually filed official reports of "hacking" and cyber crimes involving websites I was in charge of, as her webmaster. I started investigating her claims and was unable to find any substantiation to Dr. Taitz's "hacking" and cyber crime allegations. After numerous conversations with Dr. Taitz's regarding the falsified claims of "hacking" and cyber crimes, I refused to falsify any information in order to substantiate her allegations.

10. As a result of my refusal to substantiate Dr. Taitz's false claims of "hacking" and cyber crimes, she became hostile and vindictive, now accusing me of "hacking", fraud and theft. Dr. Taitz even went as far as making these statements on radio interviews and stated, as an Officer of the Court, she had reported me for investigation.

11. Dr. Taitz reported me to various departments of the State of New Jersey, local and federal police, the Senate Judiciary Committee, the U.S. Supreme Court, Federal Bureau of Investigations, the Orange County Sheriff's Department and other locations with falsified allegations that I had committed crimes, including but not limited to forgery, stealing money from her (Dr. Taitz) foundation and "hacking" of her (Dr. Taitz) website and paypal accounts. Dr. Taitz did this as an "Officer of the Court", the entire time knowing her allegations were completely false. Fortunately, Dr. Taitz's false reports were found to be completely unsubstantiated by the law enforcement authorities.

12. After Dr. Taitz filed her false law enforcement reports against me, Dr. Taitz posted on her website that my husband was involved in taking monies from her foundation. My husband is a Physician and has never had anything to do with Dr. Taitz, her foundation and/or her websites.

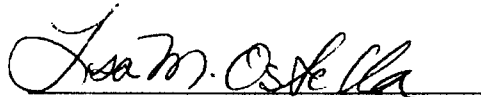

13. I later learned that Dr. Taitz's husband, Yosef Taitz has an extensive computer background and in fact learned Mr. Taitz's received his initial computer training in the Israeli military. In addition, Mr. Taitz's owns multiple companies that write and supply computer scripting and programs which is located on 97% of the world's computers. Mr. Taitz's also rents rack servers that host vast amounts of websites and databases. See the book "The Info Mesa" by Ed Regis pages 122-126, 130, 157, 159, 166, 199 and 213, ISBN #0-393-02123-8.

14. This was not the first time that Dr. Taitz asked me to lie for her. On or about December 21, 2008, Dr. Taitz sent an email to me and Bob Stevens, Dr. Taitz's head webmaster at that time. Dr. Taitz stated in her email that "Obama thugs" took down her dental website, drtaitz.com. Dr. Taitz wanted the announcement posted to her website at drorly.blogspot.com.

15. I obtained Dr. Taitz's dental website domain information and investigated what had actually happened to her dental website. Dr. Taitz had switched her own domain to point off of her site. I also discovered that Dr. Taitz's husband, Yosef Taitz, was listed as the administrator of Dr. Taitz's dental website. See **EXHIBIT "B"** attached hereto and incorporated in by reference.

16. I am a Plaintiff in the case of *Liberi, et al v. Taitz, et al*, U.S. District Court of Pennsylvania, Case No. 09-cv-01898-ECR. During litigation of this case, which is ongoing, May 31, 2009 Dr. Taitz posted on her website at <http://www.orlytaitzesq.com/blog1/?p=1843> emails in my name and my email address, which she claimed I sent. The emails Dr. Taitz posted were forged and altered emails. These forged and altered emails posted by Dr. Taitz, as well as the actual emails I sent, are on file with the U.S. District Court, Eastern District of Pennsylvania in the *Liberi, et al* Case.

I declare under the Penalty of Perjury of the Laws of the United States that the foregoing is true and correct. Executed this 14<sup>th</sup> day of January 2010 in the State of New Jersey.

  
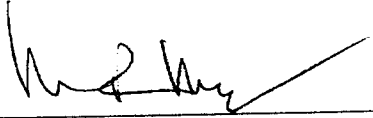

Lisa Ostella, Affiant

My Name is Orly Taitz, I am a resident of California, I am over 18 years old, of sound mind, never suffered of any mental disease or impairment and was never convicted of any crime of moral turpitude.

I have personal knowledge of the following facts and swear under penalty of perjury:

1. I never allowed Charles Lincoln to sign my name on any document .
2. I never allowed Lisa Ostella to sign my name on any document
3. I never allowed anybody to sign my name anywhere.
4. If anyone signed my name purporting to be me, it is a criminal act of forgery and needs to be criminally prosecuted as such to the full extent of the law.

Exhibit "D"

Evidence of theft by false pretenses committed by Lisa Ostella. After Ostella locked me out of the web site for my foundation "Defend Our Freedoms", she continued advertising and soliciting donations from unsuspecting donors under the name "Defend Our Freedoms". The page features a picture of a jar and a sign "Help Offset The Costs of Defend Our Freedoms. Donate to support this site. Can't donate? Raise Money! Run an auction. Earn money for yourself while raising money for DOFF (DOFF stands for Defend Our Freedom Foundation, where I am a president, and Ostella was never authorized to raise funds). From around April 11 until recently Ostella has fraudulently raised money from unsuspecting donors, believing that those funds go to support my foundation and my legal actions, while Ostella

pocketed this money and I had to pay out of my own pocket for costs and expenses.

Defend Our Freedoms Foundation

Dr. Orly Taitz ESQ

26302 La Paz ste 211

04.15.09.

Dear sir/mdm

This is a complaint in regards to following suspected crimes

1. Embezzlement
2. Identity theft
3. Fraud
4. Defamation of character
5. Charitable organization fraud
6. Credit card fraud

I am a president of a non-profit foundation Defend Our Freedoms. Ms. Lisa Ostella was a volunteer for the foundation and a web master. I received a number of complaints from donors in regards to irregularities with the pay-pal account. When I mentioned this to Ms. Ostella, and raised concerns that the account might be hacked and that I need to report this to the authorities, she stated that she doesn't believe that there was hacking, she blamed another volunteer by name Fran and stated that she locked Fran from the blog (web site, that has pay pal) and this should take care of the problem. I stated that I am planning to report this to the authorities and have them sort it out. Ms. Ostella stated that such report would look bad for her as a web master and if I proceed with the report, she will not host my foundation on her server any more. When I found a new web master, Ms. Ostella started acting irrationally. Instead of doing a seamless transfer, she locked me out from my own foundation site, has written an extremely defamatory statement about me and had some people (maybe herself) write defamatory comments. Moreover a comment was posted supposedly from me, making me look bad, even though I was locked out from the account and could not respond.

Thereafter I got receipts from donors showing that donations went to her, instead of foundation. Originally I thought that maybe her e-mail account was posted on those receipts, since she was a web master, however when I checked the roster, I saw that indeed those donations were not received by the foundation.

Sincerely,

  
Dr. Orly taitz, Esq
